WORLD BEER TRIP WITH CHEF TODD ENGLISH

ROTATIONAL BREWERIES

Todd English P.U.B. has a strong commitment to craft & artisanal beers. Delivering fresh & high quality ales and lagers that we source locally, regionally & globally, we create a unique guest experience, with something for everyone's taste. Please your palate with seasonal flavors inspired by some of our favorite breweries.

- Anchor Brewing**, San Francisco, CA 14 28
Anchor is America's first and oldest craft brewery, with roots dating back to the California gold rush. Today, our beers are handmade from an all-malt mash in our traditional copper brew house.
- Ayiner Brewing**, Aying, Germany 13 25
This family-owned brewery in the foothills of the Alps is famous for a full range of award-winning Bavarian specialty beers. Ayinger is dedicated to operating its brewery with a minimum amount of environmental impact by engaging in ecologically sound and sustainable practices.
- Boston Beer Company**, Boston, MA 13 25
When you do what you love with a commitment to your craft, the term "work" takes on a different meaning. Continuous exploration, discovery and doing things right produce both satisfaction and great craft beer.
- The Bruery**, Orange County, CA 14 28
The Bruery is a boutique craft brewery specializing in barrel aged and experimental ales. Founded as a small friend & family run business in 2008. The Bruery takes its unique moniker from founder Patrick Rue's family surname.
- Elysian Brewing**, Seattle, WA 14 28
From our very first day, when we poured the beers of each of the breweries we had all worked in the past alongside our own beer, Elysian has honored the efforts of other brewers and brewing cultures. Through innovation and collaboration we make some of the most unique beers on the market.
- Firestone Walker Brewing Company**, Paso Robles, CA 14 28
Beginning as a debate between two brothers-in-law has now turned into an award winning brewery. Priding themselves on incredible pale ales, their range is vast with their Proprietor's Reserve series.
- Founders Brewing Company**, Grand Rapids, MI 14 28
The original Founders team decided to brew the kind of beer that got them excited about brewing in the first place: complex, in-your-face ales, with huge aromatics, bigger body, and tons of flavor.
- Golden Road Brewing**, Los Angeles, CA 14 28
Founded to bring fresh beer to the local market in the most sustainable way possible, Golden Road is committed to engaging and supporting the growing community of socially-minded beer enthusiasts. Brewed and canned in Los Angeles and constantly experimenting with the freshest ingredients through a collection of rotating, seasonal and limited-edition brews.
- Great Basin Brewing Company**, Sparks, NV 14 28
Great Basin Brewing Company started out as a dream. A love of home brewing and the decline of the mining industry in the early nineties lead to that question of "Why not?" Why not put it all on the line when there is a chance to live a dream? Luckily for all of us, they did.
- Green Flash Brewing Company**, San Diego, CA 14 28
With a beer first philosophy, this Brewery has a passion for the experiments. Along with having their steady line-up including their West Coast IPA, these brewers constantly are looking to experiment and push the envelope with limited edition and seasonal brews.
- Left Hand Brewing**, Longmont, CO 14 28
Left Hand started with a brewing kit given as a Christmas present and it was all downhill from there. An obsession with brewing led to the development of the first nitro beers in a bottle. Grab a pint and toast to you and your discriminating palate.
- Moody Tongue Brewing**, Chicago, IL 14 28
At Moody Tongue, our goal is to create thoughtful, exciting beers that blend familiar flavors with quality ingredients through our philosophy of culinary brewing: using a chef's mindset to highlight flavors and aromatics in balanced beers.
- Mother Earth Brewing Company**, Kingston, NC 14 28
Take the goodness of garden-grown products, the warmth of small town life, the earthy ethic of rock 'n roll, a deep respect for a time-honored craft...and you have the ingredients of Mother Earth Brewing.
- New Belgium Brewing**, Fort Collins, CO 14 28
1989. Belgium. Boy on bike. (Ok, make that a young man of 32.) As our aspiring young homebrewer rides his mountain bike with "fat tires" through European villages famous for beer, New Belgium Brewing Company was but a glimmer in his eye.
- Pizza Port Brewing Company**, Solana Beach, CA 14 28
Embracing the same "flavor-driven" principles that had made the pizza menu so popular, Pizza Port quickly gained a reputation in San Diego's nascent craft beer scene. Their motto is "Good Food and Good Beer Bring Good Cheer!"
- Saint Archer Brewing**, San Diego, CA 14 28
San Diego-based brewery with award-winning recipes that represent flavorful, approachable craft beers. Our goal is to create beers that are flavorful, approachable, and that appeal to the wide range of palettes among today's beer drinkers.
- Sierra Nevada Brewing**, Chico, CA 13 25
We set out with a simple goal: brew the beers we wanted to drink. We started small, with a homebrew shop, a love of American hops and plenty of passion.
- Shipyard Brewing Company**, Portland, ME 14 28
Our mission is simple: We're committed to brewing the freshest, most flavorful, full-bodied ales available using only the finest, all natural ingredients.

THE BIG BOYS

- Dragon's Milk**, New Holland Brewing, Holland, MI (11% ABV) 14 28
A rich and creamy stout with a roasty malt character intermingled with deep vanilla notes, all dancing in an oak bath.
- Sculpin IPA**, Ballast Point Brewing Co., San Diego, CA (7.0% ABV) 14 28
A session able IPA, this gold medal winning beer is hopped at five different stage, with hints of mango, lemon and apricot. But don't let that fool you, this beer still packs a sting at the end.
- Arrogant Bastard Ale**, Stone Brewing, Escondido, CA (7.2% ABV) 14 28
This is an aggressive beer. You probably won't like it. It's quite doubtful you have the taste or sophistication to be able to appreciate an ale of this quality and depth.
- Double Jack IPA**, Firestone Walker Brewing Co, Paso Robles, CA 14 28
(9.5% ABV) Huge tangerine, grapefruit and juicy fruit aroma blossom over the herbal blue basil and malt earthiness of this aggressive beer.
- Dogfish 90 IPA**, Dogfish Head Craft Brewery, Milton, DE (9.0% ABV) 14 28
Pours a slight hazy orange with a large off white head. Aroma of caramel, sweet malt and citrus grapefruit hops.

- St. Bernardus ABT 12**, Brouwerij St. Bernardus, Watou, Belgium 15 30
(10.5% ABV) A traditional abbey ale brewed in the classic style of Belgium's Trappist Monks. It is almost ebony in color, smooth, creamy and full bodied with big richness of texture that is almost oily and very assertive, like a warming coconut brandy.

- Rince Cochon**, Haacht, Boortmeerbeek, Belgium (8.5% ABV) 15 30
Light golden in color with a slight yeasty haze and frothy white foam character. A hint of sugary sweetness while fruit and spice.

- Blanche De Bruxelles**, Brasserie Lefebvre, Rebecq-Quenast Belgium 14 28
(4.5% ABV) The natural spice aromas of coriander and bitter orange peels are added during the brewing process. The brewing method, which includes infusion, is very slow.

- Delerium Tremens**, Brouwerij Huyghe, Melle, Belgium (8.5% ABV) 750ml 24
Highly Recommended Belgian Strong Ale for anyone who is looking to try something fun, fruity, full flavored and a bit different.

- Magic Hat #9**, Magic Hat Brewing Co., S. Burlington, VT, (5.1%ABV) 14 28
(5.1% ABV) A sort of dry, crisp, fruity, refreshing, not quite pale ale. #9 is really impossible to describe because there's never been anything else quite like it. Fermented with our 150 year old strain of top-fermenting English yeast.

- Kronenbourg 1664 Blanc**, Brasseries Kronenbourg, Strasbourg, 14 28
France (5% ABV) Kronenbourg Blanc is a modern, fruity and refreshing beer brewed with a hint of citrus and coriander spice. Blanc has an inimitable sweet, refreshing flavor with a well-balanced bitterness and a touch of acidity that makes it special among all the other white beers.
